

Wholesaling (Quick Flips)

How do I look professional coming into Wholesaling at 19?

First and foremost, be confident. Your age is a strength. You have twice the energy of a 40 year old. Dress professionally, and speak politely. As long as you know what you are talking about, 99% of people won't care how young or old you are, and the other 1% don't matter anyway.
